David Pagadam

Master of Divinity Applicant

★ Key Achievements

- Served as associate pastor in **five churches**, strengthening congregational engagement and outreach.
- Boosted high school physics pass rates by 20% through innovative teaching.
- Guided over 50 youths into active ministry roles through discipleship and mentorship.
- Built solar panels providing sustainable energy to the local community.

TEACHING EXPERIENCE

Physics & Mathematics Educator

Taught in senior high school and private class settings, delivering engaging STEM education that improved student performance.

- **St. Louis Senior High School** – Physics & Mathematics Tutor
- **Ejisu Senior High School**
- **Intellect College** – Physics Tutor
- Increased pass rates in physics by over **20%** through interactive, student-focused lessons.
- Mentored students in science projects, leading to recognition at district-level academic competitions.
- Provided targeted support for struggling learners, boosting confidence and mastery of STEM concepts.

MINISTRY EXPERIENCE

Associate Pastor / Community Leader – Multiple Congregations

2018 – Present

Served across five congregations, delivering pastoral care, leading worship, and strengthening community outreach.

- **Alter of Testimony Church International**
- **God With Us Prayer Network**
- **Divine Peniel Chapel**
- **Maranatha Prayer Centre**
- **Christ Holy Fire Temple**
- Preached impactful sermons and teachings, resulting in increased attendance and deeper member engagement.
- Organized revival programs and prayer retreats, attracting large youth and community participation.
- Mentored emerging leaders, enabling the formation of multiple active ministry teams.

RESEARCH EXPERIENCE

- Built solar panels for community use, reducing reliance on inconsistent power supply.

- Conducted FT-IR analysis of distilled and underground water for environmental quality assessment.
- Performed mechanical property tests on iron rods to improve structural durability standards.
- Simulated hydrogen embrittlement in Fe-C structures, advancing material science knowledge.

EDUCATION

- **St Hubert Seminary SHS** — General Science
- **KNUST** — BSc. Physics
- **AAMUSTED** — Postgraduate Education
- — **Diploma in Theology (Expecte 2026)**

AWARDS & CERTIFICATIONS

- Biblical Studies Certificates (multiple modules)
- Certificate of Mandatory National Service Completion – Ghana.
- First Runner-Up, 400m Race.
- Certificate of Participation, 14th Transform Summit, KNUST.
- Certificate of Participation, PSI Fellows (Astrophysics Topics)Canada, USA.
- Online Participation in Quantum and Molecules II (QUEUE II) Winter School at Gdańsk Tech (<https://ftims.pg.edu.pl/en/news/2022-11/quantum-and-molecules-ii-queue-ii-winter-school-gdansk-tech-0602-10022022>)
