PROFESSIONAL PROFILE

Dedicated and results-driven Physics educator with over four years of secondary school teaching experience. Strong background in delivering engaging Physics and Mathematics lessons aligned with curriculum standards. Experienced in lesson planning, assessment, differentiation, and student mentoring. Seeking education to contribute to high-quality science education in secondary schools.

TEACHING EXPERIENCE

PHYSICS & MATHEMATICS TEACHER (SECONDARY LEVEL)

2020 – 2024

St. Louis Senior High School // Intellect College

Ghana

- Planned and delivered structured Physics lessons covering mechanics, electricity, waves, and modern physics.
- Improved Physics examination pass rates by approximately 70% through differentiated instruction and active learning strategies.
- Designed lesson plans aligned with national curriculum standards and examination requirements.
- Used formative and summative assessments to track student progress and inform teaching adjustments.
- Provided targeted academic intervention for underperforming students, improving confidence and attainment.
- Maintained positive classroom behaviour through clear expectations and consistent routines.
- Supported students preparing for external examinations and science competitions.

ADDITIONAL EXPERIENCE

ASSOCIATE PASTOR & YOUTH MENTOR (PART-TIME)

2018 – Present

Community-Based Organisations

Ghana

- Delivered structured mentoring, leadership training, and educational guidance to young people.
- Developed strong safeguarding awareness, communication skills, and professional conduct when working with youth.
- Planned and facilitated educational workshops and leadership development sessions.

EDUCATION

KWAME NKRUMAH UNIVERSITY OF SCIENCE AND TECHNOLOGY (KNUST)

2019 – 2023

Bachelor of Science (BSc) in Physics

Kumasi, Ghana

- Strong foundation in classical mechanics, electromagnetism, quantum physics, and material science.
- Completed laboratory-based experiments, data analysis, and scientific reporting.

ST. HUBERT SEMINARY SENIOR HIGH SCHOOL

2016 – 2019

Senior High School Certificate – General Science

Kumasi, Ghana

SKILLS & COMPETENCIES

- **Teaching & Learning:** Lesson planning, differentiation, assessment for learning, classroom management.
- **Subject Knowledge:** Secondary Physics, Mathematics, practical laboratory instruction.
- **Student Support:** Mentoring, academic intervention, exam preparation.
- **Professional Practice:** Safeguarding awareness, communication with students and colleagues.
- **Technical:** STEM pedagogy, basic educational technology integration.

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- PSI Fellows – Astrophysics Topics
- Analysis: Conducted FT-IR water quality assessments.
- QUEUE II Winter School – Quantum & Molecular Simulations (Gdańsk University of Technology)
- Biblical Studies Modules (Youth Education & Ethics)

LANGUAGES

- English – Fluent
- Akan – Proficient
- Kasem – Proficient
